

Osceola Middle School

HARD WORK, TOGETHER

September 2017

Chromebooks:

Osceola Middle School is proud to provide our students with Chromebooks to use throughout the day. Students are able to access classwork, work collaboratively, and complete assessments online. The Chromebooks allow our students and our teachers to creatively engage in the learning process. Your child brought home the county 1:1 insurance form last week. Thank you to those that have returned the form as well as the fee. This helps us maintain our technology at OMS. The insurance fee covers any accidental damage that may occur throughout the school year. We encourage you to take advantage of this opportunity. Any unpaid fees will limit your child's participation in school wide events. Please contact the Assistant Principal, Mrs. Willis, with any further questions.

Attention Sports Fans

Congratulations to the students that made the Fall OMS Sports teams! Support our Warriors at any of the upcoming home games!

Soccer:

Aug. 29 at 4:30 Vs. Yearling Middle School

Sept. 14t at 4:30 Vs. Oslo Middle School
